THE FULLNESS OF LIFE

God fills our lives with blessings far too numerous to count. Each day He only sends the more, abundant from His fount - the health in which our days are spent, His comfort in the night, His bread to feed the hungry soul, living waters, darkness' light.

When sorrows come, depression's pain, or bitter agony, we only have to stop and count life's blessings then we'll see how good our God has been to us, in life, or even death. For life is full in Christ our King, as well in dying breath.

Yes God will take us home to live in mansions He's prepared, to live with Him and worship Him, forsaking every care. He's our provision here on earth, He'll be our fullness then, when saints have all gone home at last, as in His word was written.

Romans 8:32 – He that spared not his own Son, but delivered him up for us, how shall he not with him freely give us all things?
